**OCC Flexy Coffee Machine, White**

OCC Flexy is a gem with a compact dimension of just 12 cm in width, and the perfect coffee machine for your office and home.

This OCC Flexy espresso machine is stylish, compact and provides an extremely simple way to brew authentic Italian espresso at the touch of a button. Perfect for home or office use, the Flexy utilizes the ever-popular Nespresso®\* type capsules which are available in a wide variety of espresso blends at OCC. Simply lift-up the top chrome metal lever, insert a capsule, push the lever back down and press the brew button for a small or large espresso. The OCC Flexy will begin brewing into your cup and stop once the button is pressed again (no autostop!). Each time you insert a new capsule, the prior used capsule is ejected into the removable waste tray. Additional features of the Flexy include a large 0,6-liter removable water tank and suction cup feet for stable operation.

\* The brand does not belong to Operators Coffee Club or its affiliated companies.

Color: Black & White.

Uses Nespresso®\* type small capsules C4 and HALO, perfect for home, small office or watchkeeper rooms.

Slim, compact design requires very little counter space

Large 0,6-liter removable water tank

## OCC Cleaning Kit, 12 months

The Cleaning Kit includes all you need to maintain your OCC Flexy coffee machine in perfect condition for 12 Month.

The Cleaning Kit contains a reusable cleaning capsule, 12 cleaning tablets, that cleans the brewing head of your coffee machine, and free the brewing chamber from residue, old coffee build-up and bacteria. It also includes 4 descaling tabs, which removes lime scale and mineral deposits from the back of your machine, the pump and the boiler. Your coffee machine needs to be descaled regularly to function well and to remove lime scale and calcium build-up and thereby prolonging the life of your coffee machine.

To keep brewing great coffee we recommend you use one cleaning tablet after every 30 cups of coffee made, or once a month and that you descale your coffee machine every 3 months.

The contents of the Cleaning Kit:

Step by step user instructions page for cleaning and descaling.

1 pc. Reusable capsule for cleaning tablet. For Nespresso®\* system only, reusable up to 50 times.

4 pcs. OCC Descaling tablets for coffee machines

12 pcs. OCC Cleaning tabs for coffee machines.
