Hydration Kit:

Lemonade and soda water - Maintain your body's water balance!

Co-developed with Løgismose

You function at your best when you are in balance!

We have focused 100% on quality and the good taste experience for your convenience. The contents are great for sharing with good friends when you have meetings just enjoy moments of coziness. Everything fits perfectly with a Small Decisions Kit and / or a Big Decisions Kit. In cooperation with Løgismose we have put together this gourmet box of pampering you deserve when you're away from home.

"Excellence in life requires excellent coffee breaks!"
