Small Decisions Kit:

Gourmet Snacks – Fuel for your brain!

Co-developed with Løgismose

When you are making decisions – your brain needs fuel!

We have focused 100% on quality and the good taste experience for your convenience. The contents are great for sharing with good friends when you have meetings or just enjoy moments of coziness. The zipper bags can be used to make your own blend that you can take when you are on duty, try for example to make your own new favorite mixes! Everything fits perfectly as a buddy for a great cup of coffee or with a Hydration Kit and / or a Debriefing Kit. In cooperation with Løgismose we have put together this gourmet box of pampering you deserve when you're away from home.

"Excellence in life requires excellent coffee breaks!"
