King Skull "Badass Joe" 1L Thermal Kanteen

This Operators 1L matte black TKPro made by Klean Kanteen USA will keep the hot water for your Nanopresso (12 shots) or Operators Tea warm for 38 hours.

The King Skull "Badass Joe" 1L by Klean Kanteen is a high-performance TKPro matte black stainless steel thermo bottle solution for hot coffee, cold brew, hot tea or your favorite iced drinks. The TKPro 360° pour-through functionality makes it easy to pour into the double wall stainless steel cup - even in pitch black darkness. Climate Lock™ double-wall vacuum insulation keeps drinks hot for 38 hours and iced for 100 hours!

Klean Kanteen is the official World Outdoor Barista Championship® (WOBC) competition thermal kanteen supplier.

- 18/8 Stainless Steel construction with matte black finish.
- Climate Lock™ double-wall vacuum insulation will keep drinks hot for 38 hours and iced for 100 hours.
- TK Closure™ internal thread design increases thermal performance
- Twist and pour cap with 360° pour-through design
- The Matte Black Klean Coat™ powder coat finish is 4X more durable than our previous finish and formulated for human and environmental health.
- Electropolished interior, a safe & non-toxic process, and rounded corners make it easy to clean.
- Leakproof
- Hand washing is recommended for all insulated products.
- Backed by the Klean Kanteen lifetime Strong as Steel guarantee.
